

# THANK YOU FOR BEING PART OF **BE CURIOUS 2022**

**Sam Wilcock**

and to all involved in the presentation of the activity

**Robot control and computer vision**

---

On behalf of the entire Public Engagement team, thank you for helping to make the 2022 edition of Be Curious our most successful, creative and exciting to date.

We look forward to working with you again on your exciting and imaginative engagement ideas.

---

**Dr Alexa Ruppertsberg**  
Head of Public Engagement with Research
